

IFAT India 2017
„Innovation Exchange Forum“
Environmental Technologies for India: Requirements, Demands, Solutions

	Tuesday, 26. September 2017	Wednesday, 27. September 2017	Thursday, 28. September 2017
10:00 - 10:15			
10:15 - 10:30			
10:30-10:45	Opening Ceremony Words of Welcome, Inauguration, Lamp Lighting	Biogas in India organized by IBA, GBA & GIZ -Presentation on intermediate results of current study on biogas in India - Panel Discussion on Biogas in India - Study on Potential of Biogas in India - Presentation of Nashik Biogas Project - Presentation on German Biogas Training Network (Fachverband Biogas)	Session on Closing Dumpsites Campaign organized by ISWA
10:45-11:00			
11:00-11:15			
11:15-11:30			
11:30-11:45			
11:45-12:00	VIP Exhibition Tour		
12:00-12:15			
12:15-12:30			
12:30-12:45			
12:45-13:00	Water Management & Water Solutions for India		
13:00-13:15	Experiences in ZLD and way forward I. Sajid Hussain, COO, TWIC	Business to Government Session with several Indian states, who will present their activities, plans and new tenders in the relevant sectors.	European-Indian cooperation project on Environment, Resource Efficiency and Circular Economy (EU-REI) organized by GIZ in cooperation with TERI, CII and and Adelphi
13:15-13:30			
13:30-13:45	German Solutions for the Indian Water Sector organized by German Water Partnership	Business to Government Session organized by INDUS Media	
13:45-14:00			
14:00-14:15			
14:15-14:30			
14:30-14:45			
14:45-15:00			
15:00-15:15	Unlocking the potential of skilling in the Indian waste and wastewater sector - Impact on efficiency and environment organized by DWA, in corporation with SCGJ Skill Council for Green Jobs and GIZ		
15:15-15:30			
15:30-15:45			
15:45-16:00			
16:00-16:15			
16:15-16:30			
16:30-16:45			
16:45-17:00			
17:00-17:15			
17:15-17:30			
17:30-17:45			
17:45-18:00			

Environmental Technology Conference by TERI

powered by IFAT India

	Tuesday, 26. September 2017	Wednesday, 27. September 2017	Thursday, 28. September 2017
10:00 - 10:15		Registration & Tea	
10:15 - 10:30		Session 1: Solid waste management – Initiatives in Maharashtra	
10:30-10:45			
10:45-11:00			
11:00-11:15			
11:15-11:30			
11:30-11:45		Session 2: Urban Water Management: Leveraging technological innovations for efficient urban water service delivery	
11:45-12:00		Lunch for speakers	
12:00-12:15			
12:15-12:30			
12:30-12:45			
12:45-13:00			
13:00-13:15	Inauguration	Session 3: Air Pollution	Careers in Waste Management & Regional Young Professionals Group Event by ISWA (slot confirmed)
13:15-13:30			
13:30-13:45	CEO forum on Solid waste management	Valedictory Session	
13:45-14:00		Networking Tea	
14:00-14:15		Exhibition Tour	
14:15-14:30			
14:30-14:45			
14:45-15:00			
15:00-15:15			
15:15-15:30		CEO forum on Urban Water Management	
15:30-15:45	CEO forum on Air Pollution		
15:45-16:00			
16:00-16:15			
16:15-16:30			
16:30-16:45			
16:45-17:00	Closing Remarks		
17:00-17:15			
17:15-17:30	Networking Tea		
17:30-17:45			
17:45-18:00			

IFAT India 2017

„Active Learning Center“

	Tuesday, 26. September 2017	Wednesday, 27. September 2017	Thursday, 28. September 2017
10:00 - 10:15		Air Quality Management Workshop by SDG Foundation	Interactive Products in Practice Session (tbc)
10:15 -10:30			
10:30-10:45			
10:45-11:00			
11:00-11:15			
11:15-11:30			
11:30-11:45			
11:45-12:00			
12:00-12:15			
12:15-12:30			
12:30-12:45	Interactive Products in Practice Session (tbc)	Interactive Products in Practice Sessions (tbc) (1) Gas detection & measurement instruments, Gas Chromatography (2) Systems for Stormwater Management	Water Skills India organized by DWA, GIZ , Skill Council for Green Jobs India
12:45-13:00			
13:00-13:15			
13:15-13:30			
13:30-13:45			
13:45-14:00			
14:00-14:15		University Challenge India organized by DWA, sponsored by WILO	
14:15-14:30			
14:30-14:45	Mobile Waste Characterisation Unit Solar Sludge Drying Technology (Velankani):		
14:45-15:00			
15:00-15:15	Optimization of Water Treatment AIMIL India (Malvern Instruments)		
15:15-15:30			
15:30-15:45	GKD - Revolutionary woven stainless steel filter		
15:45-16:00			
16:00-16:15	HINDROP - Fluoride removal based on modified zeolites (Tagua)		
16:15-16:30			
16:30-16:45	Introduction & Case Study of Memysys vacuum multi-effect membrane distillation technology (New Concepts Holding Technology)		
16:45-17:00			
17:00-17:15	Energy Efficient Centrifugal Blower by Howden Thomassen Compressors		
17:15-17:30			
17:30-17:45			
17:45-18:00			

Room of Ideas

	Tuesday, 26. September 2017	Wednesday, 27. September 2017	Thursday, 28. September 2017
10:00 - 10:15			
10:15 -10:30			
10:30-10:45			
10:45-11:00			
11:00-11:15			
11:15-11:30			
11:30-11:45			
11:45-12:00			
12:00-12:15			
12:15-12:30			
12:30-12:45			
12:45-13:00			
13:00-13:15			
13:15-13:30			
13:30-13:45			
13:45-14:00			
14:00-14:15			
14:15-14:30			
14:30-14:45			
14:45-15:00			
15:00-15:15			
15:15-15:30			
15:30-15:45			
15:45-16:00			
16:00-16:15			
16:15-16:30			
16:30-16:45			
16:45-17:00			
17:00-17:15			
17:15-17:30			
17:30-17:45			
17:45-18:00			

IBA / GBA Waste - Workshop
 Trainer: David Wilken (GBA) & Gaurav Kedia (IBA)
 - Waste collection and treatment
 --> Indian and German scenario,
 best practice examples
 - sanitation
 - fertilizer
 - safety aspects (esp. environmental impacts , Managment of hazardous substances)

First General Assembly of the Indian Biogas Association
(only for IBA members)

Remediation of Waste Dumpsites

Technical workshop on Enhanced Landfill Mining in India. Process, Feasibility, Economy, Benefits and Limitations
 (only on invitation)

organized by Indus Media
 supported by
 The Clean India Mission
